

At LaFollette Housing Authority (LHA) the health and well-being of our residents is always a top priority. We continue to closely monitor the rapidly changing guidelines related to the Coronavirus (COVID-19). LHA will follow guidance from the CDC, local health departments and government leaders as they work to manage the spread of the virus. To ensure that our services are uninterrupted during this time we will open all LHA lobbies effective Monday, September 13, 2021. Drop boxes are still available to use for leaving rent payments, forms and other paperwork that does not require direct contact with an LHA employee. We recommend that all visitors continue to practice social distancing and wear a face covering upon entry to our offices.

Also, LHA will resume routine work orders and inspections. All residents will be required to answer the COVID-19 questionnaire prior to LHA staff entering the unit. To help protect our staff, please inform an LHA representative if you are sick when calling in requests for maintenance repairs. Your cooperation and patience during this time are greatly appreciated.
